One of the challenges of a democratic government is making sure that even in the midst of emergencies and passions, we make sure that rule of law and the basic precepts of justice and liberty prevail. **Barack Obama**

## JOE BIDEN U.S. PRESIDENT - ELECT

### Propositions 207, 208 and 481 Approved by Voters

#### NOVEMBER ZOOM MEETING: Guest Speakers Laura Conover & Larry Bodine

#### PARTICIPATE IN OUR CANDIDATE APPRECIATION EVENT

#### Laura Conover, Candidate for Pima County Attorney

A lifelong Tucsonan and attorney, Laura is a graduate of the University of Arizona where she earned both her undergraduate and law degrees. After a 16-year career of criminal justice work, including defense, victim advocacy, and almost 2 years of managing 400 federal contract attorneys, Laura has the leadership and management skills the Pima County Attorney's Office needs.

Laura feels she is uniquely qualified to steer a large agency through even the toughest of times. She plans to deal with the public health crisis of addiction and mental illness properly through treatment, instead of trying to prosecute our way out of the problem. At a third of the cost of incarceration, she plans to use those freed resources to go after the true drug criminals, the higher-level dealers. She also plans to build the first financial crimes unit to attack financial fraud and scams head-on. Laura will promote outcome-driven policies and reforms.

#### Larry Bodine, President of Democrats of Greater Tucson

Larry began writing for the Blog for Arizona in June 2017. He is an active Democratic Party precinct committeeman, and teaches "Getting Active in Local Politics" at the University of Arizona-OLLI program. Larry was a Delegate to the 2020 Democratic National Convention. He attends live political events and reports on them for the Blog For Arizona - see <https://blogforarizona.net/author/larry-bodine>. His 44-year career includes reporting for the *New York Daily News*, which was then the largest-circulation US newspaper, at a time when he won 7 awards for investigative journalism. Bodine is an attorney and is a member in good standing of the Wisconsin State Bar. Previously, Bodine served as editor of several legal publications, including the *American Bar Association Journal*, *Lawyers.com*, and the *National Law Journal*.
